# Call for Abstracts

## Society for Mathematical Biology 2012 Annual Meeting & Conference

July 25-28, 2012  
Knoxville, Tennessee

The 2012 Annual Meeting and associated research and education conference for The Society for Mathematical Biology will be held at the **Knoxville Convention Center**. The conference theme is *Mathematics and Biology: Interdisciplinary Connections and Living Systems*. The gathering is hosted by the National Institute for Mathematical and Biological Synthesis (NIMBioS) and the University of Tennessee.

Abstract submission deadlines:  
MiniSymposia Talks - **March 30, 2012**  
Contributed Oral presentations - **April 18, 2012**  
Contributed Poster Sessions - **June 15, 2012**

For more information and an online submission form,  
visit [nimbios.org/SMB2012](http://nimbios.org/SMB2012).
