

Spatial Modeling Working Group: Agenda for Fourth Meeting (March 27-29, 2017)

Attending in person

James Faeder
Margaret Johnson
Martin Meier-Shellersheim
Ion Moraru

Participating Remotely

Carlos Lopez
Robert Murphy
Julie Theriot
Adeline Uhrmacher

Before the meeting

1. Review and update current group report draft (<https://app.box.com/notes/98676146828>)
2. Identify areas of focus for the last working group meeting.

Main goals for the meeting

1. Complete initial draft of group report on spatial modeling tools and benchmark results.
2. Action items for completion of the report for submission for publication.
3. Update spatialmodel web site.
4. Prepare final working group report.
5. Plans for future working group activities and expansion — hold a meeting with participation by broader community?

March 27, 2017

9-9:30 am — Maggie: Update on simulation results for benchmark problems
9:30-10 am — Discussion and planning
10-12 pm — Work individually or in small groups
12-1 pm — Lunch
1-4:30 pm — Work individually or in small groups
4:30-5 pm — Progress updates and planning
5 pm — NIMBioS reception

March 28, 2017

9-9:30 am — TBD: research update
9:30-10 am — Discussion and planning
10-12 pm — Work individually or in small groups
12 pm — Group photo
12-1 pm — Lunch
1-4:30 pm — Work individually or in small groups
4:30-5 pm — Progress updates and planning

March 29, 2017

9-9:30 am — TBD: research update

9:30-10 am — Discussion and planning

10-11:30 am — Work individually or in small groups

11:30-12 pm — Wrap-up discussion

12 pm — Adjourn □
