

Long living transients in ecology

First meeting: March 1-3, 2017

Agenda

Day 1 (March 1st)

8:15-8:45 Breakfast at NIMBioS

8:45-9:00 welcome & introduction to NIMBioS

9:00-11:00 Morning session (four presentations altogether, about 15 minutes each, each talk followed by 15 min discussion)

9:00-9:15 Talk 1 & discussion

9:30-10:00 Talk 2 & discussion

10:00-10:30 Talk 3 & discussion

10:30-11:00 Talk 4 & discussion

11:00-11:30 coffee break

11:30-12:30 general discussion

12:30-13:30 lunch

13:30-15:30 Afternoon session (the same idea as in the morning session)

13:30 Talk 5 & discussion

14:00 Talk 6 & discussion

14:30 Talk 7 & discussion

15:00 Talk 8 & discussion

15:30-16:00 coffee break

16:00-16:30 general discussion

16:30 group photo

17:00-18:00 NIMBioS reception

19:00 - - social (dinner, informal discussions etc.)

Day 2 (March 2nd)

8:30-9:00 Breakfast at NIMBioS

9:00-10:00 first morning session (two presentations with discussions, the same idea is in day 1)

9:00-9:30 Talk 9 & discussion

9:30-10:00 Talk 10 & discussion

10:00-10:30 coffee break

10:30-12:30 second morning session

10:30-12:00 Parallel discussion groups (e.g. empirical ecology group and mathematical ecology group)

12:00-12:30 Synthesis

12:30-13:30 lunch

13:30-15:30 Parallel discussion groups

15:30-16:00 coffee break

16:00-18:00 Synthesis and general discussion (with a particular goal to work out an outline for one or two viewpoint/review papers)

19:00 - - Social (dinner etc.)

Day 3 (March 3rd)

8:00-8:30 Breakfast at NIMBioS

8:30-10:30 First morning session

8:30-10:00 Parallel group discussions - if necessary, otherwise general discussion (presumably with the main focus on the planned viewpoint/review papers)

10:00-10:30 Synthesis

10:30-11:00 coffee break

11:00-12:30 Second morning session: general discussion, discussion of the future work (e.g. what we are going to bring to the second meeting, timeline for any outstanding tasks etc.)

12:30-13:00 General synthesis, conclusions, closure.
