

Long transients in Ecology and Social Dynamics

Fourth meeting: May 7-9, 2019

Agenda

Day 1 (Tuesday May 7th)

8:00-8:30 Breakfast at NIMBioS

8.30:00-10:30 First morning session (joint discussion of our 'transients in management' paper)

10:30-11:00 coffee break

11:00-12:30 Second morning session (joint discussion of our 'transients in management' and 'nosy transients' papers)

12:30-13:20 lunch

13:20-15:20 First afternoon session (transients in social dynamics, short presentations)

15:20-15:50 coffee break

15:50-17:00 Second afternoon session (transients in social dynamics, joint discussion, choosing topics to work in small groups next day)

17:00-17:10 NIMBioS group photo

17:10-18:00 NIMBioS reception

19:00 - - Social dynamics (dinner, informal discussions, etc.)

Day 2 (Wednesday May 8th)

8:00-8:30 Breakfast at NIMBioS

8:30-10:30 First morning session (choosing the discussion groups, beginning to work in groups)

10:30-11:00 coffee break

11:00-12:30 Second morning session (working in small groups: transients in eco-management and transients in social dynamics)

12:30-13:20 lunch

13:20-15:20 First afternoon session (working in small groups: transients in eco-management and transients in social dynamics)

15:20-15:50 coffee break

15:50-17:30 Second afternoon session (joint discussion of the results of working in small groups: both transients in eco-management and transients in social dynamics)

19:00 - - Social dynamics (dinner, informal discussions, etc.)

Day 3 (Thursday May 9th)

8:00-8:30 Breakfast at NIMBioS

8:30-10:30 First morning session (working in small groups: transients in eco-management and transients in social dynamics)

10:30-11:00 coffee break

11:00-12:30 Second morning session (joint discussion of the results of working in small groups)

12:30-13:00 General synthesis, conclusions, closure.

13:00-13:30 Lunch
